

Otto-von-Guericke-University Magdeburg, Postbox 4120, G-39016 Magdeburg

To Students enrolled in expiring Master Program:

Operations Research and Business Analytics (SER-2017)

(Matriculation in WS 17/18)

Compulsory audits will be substituted

Dear Students of SER-Version 2017,

the board of examiners of the faculty of economics and management determined comprehensive **equivalencies** regarding the compulsory exams of our expiring (SER 2017) and active (SER 2018) master program. These regulations shall enter into force for the **winter term 2018/2019**.

All details concerning the individual equivalence exam are mentioned in **Annex 1** to this letter and moreover published on the examination's office website.

Consequently the exams „**50012 Programming in C++**“, „**50011 Integer and Combinatorial Optimization with Applications**“ as well as „**50014 Intelligent Data Analysis**“ will be **ultimately offered** in **summer term 2018**. From the winter term 2018/2019, the respective **equivalencies** must be taken.

Yours sincerely
(on behalf of)

Dr. Toni Richter
(Head of Examination Office)

Equivalent Exams: Operations Research and Business Analytics
